
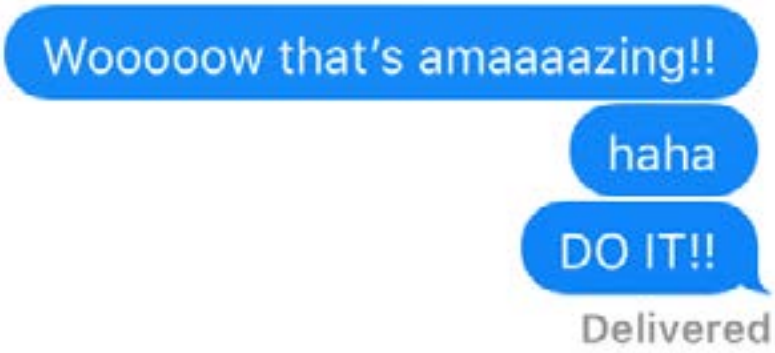
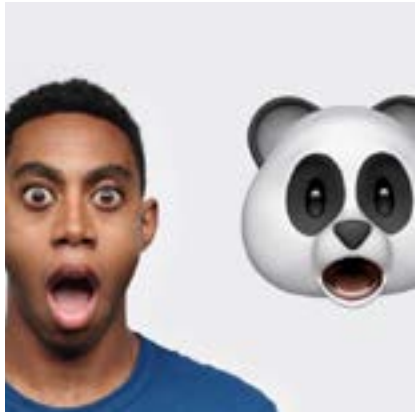
I am combining the typeface with facial expressions, to enhace the "realness" of the texting culture.



Wooooow that's amaaaazing!!
haha
DO IT!!
Delivered



NO GOD PLE
NOOOOOO

they turn out like this

Maybe it’s a good thing that texting isn’t “real” enough?

Maybe it's a good thing that texting isn't "real" enough? Should I just call?

THANKS!!
